Journal of Food Technology and Industry (Jurnal Teknologi dan Industri Pangan or JTIP) is an Indonesian accredited journal and is a lead reference journal in the field of food science and technology. The journal was established in 1990 and previously known as Bulletin in Research Food of Science and Technology. The name has been updated in 2001 and eversince it became official journal for Indonesian Association of Food Technologists (PATPI). The journal is published in colaboration with Faculty of Engineering and Technology, IPB University (Bogor Agricultural University). The online version is accessible at http://journal.ipb.ac.id/index.php/jtip No E-ISSN: 2087-751X.

JTIP was published twice a year, in June and in December until 2025. Starting from January 2026, JTIP is published three times a year, i.e. in March, July, and November. JTIP publishes high quality research articles in food science, food technology or its applications in food industry. JTIP accepts only English language articles.

The editorial boards have been restructured since Volume 32, Issue 1 in 2021 when new chairman of Editor in Chief was elected for the period of 2021-2026. JTIP includes International Editors for internationalization purposes and for improving the performance of the journal.
