SCIENTIFIC COMMITTEE MESSAGE FROM 5TH ISFANEA 2023

The 5th International Symposium on Food and Nutrition, Expo, and Awards (ISFANEA) 2023 was organized by The Food and Nutrition Society of Indonesia (PERGIZI PANGAN Indonesia). The event was aimed to promote food and nutrition innovation and to encourage scientific interchange among food, nutrition, and health researchers and professionals. During The 5th ISFANEA 2023, a lively discussion were observed among young nutrition students and researchers with senior researchers, professors, and thought leaders in the world of food and nutrition.

The organizing committee of the ISFANEA 2023 had chosen to focus on Food and Nutrition Innovation for Sustainable Economy, Health, and Well-Being as the theme of the conference. The articles presented in this supplement issue are selected from the 78 oral presentations covering six themes of ISFANEA 2023.

The publication of this ISFANEA 2023 supplement is supported by the Indonesian Journal of Nutrition and Food. We do hope this supplement issue can contribute as a source of scientific information in the field of nutrition and food for our readers.

On behalf of The 5th ISFANEA 2023,
