## SCIENTIFIC COMMITTEE MESSAGE FROM 1<sup>st</sup> ICFNH 2023

The 1st International Conference on Food, Nutrition and Health (ICFNH) 2023 was organized virtually by Centre for Dietetics Studies, Faculty of Health Sciences, Universiti Teknologi MARA. The main objective of this conference is to disseminate the most recent advancements in the field of food, nutrition, and health. ICFNH 2023 provided a platform for researchers, practitioners, students, and enthusiasts to exchange their research findings and innovative ideas within this domain. Notably, the event witnessed lively discussions between young nutrition and dietetics students alongside senior researchers, professors, and influential figures in the global food and nutrition arena.

The organizing committee of the ICFNH 2023 had chosen to focus on "*Curating Health through Nutrition: A Shared Responsibilities*" as the theme of the conference. The articles presented in this second supplement issue are selected from the 22 oral presentations covering six themes of ICFNH 2023.

The publication of this second issue of ICFNH 2023 supplement is supported by the Indonesian Journal of Nutrition and Food. We trust that this supplementary edition will serve as a valuable source of scientific knowledge in the field of food, nutrition and health for our readers.
