Journal of Food Technology and Industry (Jurnal Teknologi dan Industri Pangan or JTIP)

is an Indonesian accredited journal and is a lead reference journal in the field of food science and technology. The journal was established in 1990 and previously known as Bulletin in Research Food of Science and Technology. The name has been updated in 2001 and ever since it became official journal for Indonesian Association of Food Technologists (PATPI). The journal is published in collaboration with Department of Food Science and Technology, IPB University (Bogor Agricultural University). The online version is accessible at <http://journal.ipb.ac.id/index.php/jtip> No E-ISSN: 2087-751X.

JTIP is published twice a year, in June and in December. JTIP publishes high quality research articles in food sciences, food technology or its applications in food industry. JTIP accepts Indonesian and English language articles.

The editorial boards have been restructured since Volume 32, Issue 1 in 2021 when new chairman of Editor in Chief was elected for the period of 2021-2026. JTIP includes International Editors for internationalization purposes and for improving the performance of the journal.
