Correction to: Tropical Animal Science Journal, 49(4):344-353. <https://doi.org/10.5398/tasj.2026.49.4.344>

Three errors occurred at:

1. Affiliation of one of the authors, K. S. Kim.

The previous version was written: K. S. Kim^{2,3} *with affiliation* ² Institute of Animal Science, College of Agriculture and Food Science, University of the Philippines – Los Baños, Laguna 4031, Philippines;
³ Department of Animal Science, College of Agriculture, Life and Environment Science, Chungbuk National University, Cheongju City 28644, South Korea.

The correct version should be: K. S. Kim³ *with affiliation* ³ Department of Animal Science, College of Agriculture, Life and Environment Science, Chungbuk National University, Cheongju City 28644, South Korea.

2. Conclusion on Page 351 Line 7.

The previous version was written: Consequently, current temperature-derived reference intervals are diagnostically inaccurate for these populations.

The correct version should be: Consequently, current temperate-derived reference intervals are diagnostically inaccurate for these populations.

3. Discussion section on Page 351 (Paragraph 4, Line 6).

The previous version was written: This is achieved by a significant positive correlation between RBC, N, and PLT levels....

The correct version should be: This is achieved by a significant positive correlation between RBC, L, and PLT levels....
